

# A clean car is a safe car.

It's always a great idea to keep your vehicle completely clean of your valuables no matter where you are.

When leaving your car, be sure you've either taken with you or stored in your trunk items such as:

- 🛡️ GPS Devices & MP3 Players
- 🛡️ Laptop Computers and cases
- 🛡️ Loose change
- 🛡️ Bags and boxes
- 🛡️ Purses
- 🛡️ Cell phones and chargers
- 🛡️ Cameras

A few extra tips: remember to park in well lit areas. Be aware of your surroundings. Report anything out of the ordinary to Midtown Blue or security.
